The Tears of Repentance

By THOMAS MOORE.

Blest tears of soul-fel' penitence!

In whose benign, redseming flow
Is felt the first, the only sense
Of guiltless by that guilt can know.
"There's a drop," said the Peri, "that down from the moon
Falls through the withering airs of June
Upon Egyp's land, of so healing a power,
So balmy a virtue, that e'en in the hour
That drop descends, contugion dies,
And health reanimates earth and skies!—
Oh' is it not thus, thou man of sin.
The precious tears of repentance fail?
Though foul thy fiery placues within.
One heavenly drop hath dispelled them all!"
And now—behold him smeling there
by the child's side, in humble prayer.
While the same sunbeam shines upon

"Joy, joy for ever! my task is done— The Gates are passed, and Heaven is won! Oh! am I not happy? I am, I am— To thee, sweet Eden! how dark and sad Are the diamond turrets of Shadukiam, And the fragrant bowers of Amberabad!

Passing away like a lover's sigh!— My feast is now of the tooba tree, Whose scent is the breath of eternity!

'Farewell, 's tanishing flowers, that shone
In my fairy-wreath, so bright and brief,
Oh! what are the brightest that e'er have blown,
To the lote tree, springing by Allah's Throne,
Whose flowers have a soul in every leaf!
Joy, loy for ever!—my task is done—
The Gates are passed, and Heaven is won!"

## Hidden Treasure

The Gold is There

Lift the Rock.

Many a man and woman has yet to find the hidden flavor and value of POSTUM FOOD COFFEE because It was served before being boiled long enough.

When Father Mether, Sister or Brother, feels the hurt of coffee, and seeks to be well again ple to do increas in this world, do your share, Mr. or Mrs. Cook, and see that the Postum is and that a rasy. Either put it in the pot and let it soak overnight, and then boil 10 inutes; or put a on fresh, a piece of butter the size of a pea in the pot to keep it from boiling over, and then let it actually boil at the bubbling point for 15 minutes. Then you have Postum, and not the common weak stuff too often prepared by a careless cook.

You, man, who have been poorly served, read this to your "wimmen folks" and ask for a Square Deal. If coffee congests your liver, ruins nerves and stomach, and handicaps you in the race of life, quit it entirely and start on Postum.

The little stored-away elements that nature uses for the sure rebuilding of the lost gray matter in the nerve cells are in Postum.

Lift the rock and get the treasure. It's there, and "there's a reason" for
